

UK Flood Risks

Progress

- **Funding still under discussion with researchers**
 - Cost will remain at £50,000
- **Discussions with ABI, to co-ordinate research on strategic issues:**
 - ABI may fund an independent review of the Flood Estimation Handbook, to be published by the IoH
 - If satisfactory, ABI will promote Handbook
 - ABI may retain David Crichton as independent consultant to manage consultation process with industry

UK Flood Risks

Industry Representative

- **Andrew Mitchell of Benfield Greig**
 - agreed, in principle, to act as industry representative

Promotion

- **Articles in**
 - CII Society of Fellows Journal in January
 - The Actuary
